**NAME: TERESA A. REYES**

**AGE: 44**

**OCCUPATION: Incumbent/Realtor**

- Lucerne Valley resident for 30 years
- Dedicated to this community
- Strong business sense
- Traditional family values

I have been married for 25 years and both of our children have attended our public schools. I have always been actively involved in this community. For many years I was Head Cashier/Supervisor at Lucerne Valley Market and I am now a realtor for Lucerne Valley Realty.

As a member of the Lucerne Valley School Board since 2001, I have worked to maintain and improve the educational opportunities for ALL students. I support vocational education and long distance learning. I believe it is important to prepare students for variable career paths including college. And, I firmly believe in a safe environment for our students and staff.

Serving on the School Board is an awesome responsibility but I am prepared and eager to be your representative again. There are many tough decisions to make as a board member. I only cast my vote when I know that I have all the facts needed and when I feel I am truly representing the interests and values of our community.

I would appreciate your vote for re-election.
